

TEAM STRUCTURE

We have a dedicated CCS team of more than 50 lead partners and associates, across both the mandatory and optional specialisms.

They are supported by our Public Sector and Local Government team of who regularly work alongside public sector clients and our wider team of 291 partners, more than 750 other lawyers and over 200 paralegals from across the firm. This team combines the right specialists, in the right location at the right level.
